You Can Send Them Too — If You Grow Kunderd's Glads**

Several years ago I ordered
from you a hundred Glad
bulbs, which turned out to be
the prettiest I've ever seen or
grown. However, I am glad
to say that now I have a place
of my own with more room for
flowers. I would like your new
Catalog so that I can get
more of your bulbs.

J. E. Watlington, Va.

The bulbs arrived in
good order today and
they looked fine. Thanks
for the extra count. I
have always received good
stock from you and am
happy to recommend you
to my friends.

W. A. Class, Ohio

The bulbs we got from
you last year grew
beautifully and we
want to thank you for
your prompt and very
satisfactory service.

Carl and Anne Eder,
Minn.

Enclosed is an order for
your Anniversary Collec-
tion. If I remember cor-
rectly this is the 3rd col-
lection I have purchased
and I just want to tell you
your bulbs do exceedingly
well. The flowers bloom
beautifully.

Chas. Grass, Kans.

As your records will indi-
cate, the writer purchased
a select group of bulbs
last year, and to say the
least, the result was excel-
lent. The array of color
was superb, and quality
and size of blooms were
exceptional.

E. J. Berry, Ohio

Your bulbs are the nicest
and cleanest I've ever
seen. I hope to be able
to buy more from you
next year. I'm going to
tell my friends about
you.

Mrs. G. Gerald, Va.

I received my ship-
ment of Glads some
months ago and I was
very much pleased at
the beauty of them
when they bloomed.

Miss K. Robinson,
Illinois

I must write and tell how
delighted I am with the
glads which I bought
from Thrip, thank good-
ness, and beautiful
shades.
